

## World Ranking Points Systems for Artistic Swimming

The FINA World Ranking will cover two year periods. The first period will be 1st September 2022 to 31st August 2024.

Each Solo, Male Solo, Duet, Mixed Duet, Team Technical, Free & Acrobatic Routine will be awarded a world ranking. The ranking is established by combining the scores per category.

The FINA World Rankings will be updated after each event mentioned (table with current standings to be available in the FINA website. Only eligible artistic swimming athletes will be considered in the FINA World Standings.

National Federations receive points based on their final placement at the following competitions:

- FINA World Championships
- FINA ASWS Live & Virtual
- FINA Junior & Youth Worlds

The competitions weight varies depending on the number of entries.

Weighting of the points			
Events	WCH	ASWS- Live	Junior/Youth
Solo	x3	x2	X1
Duet	X3	x2	x1
Mixed Duet	X3	X2	X1
Teams	x5	x4	x3

For competitions attended by less than 10 delegations (per category) the weighting will be divided by 50%.

Points allocated by ranking (overall points for the competition per NF)						
	First	Second	Third	Fourth	Fifth	Sixth
Solo	10	9	8	7	6	5
Duet	10	9	8	7	6	5
Mixed Duet	10	9	8	7	6	5
Teams	20	19	18	17	16	15

**Example:** if XYZ places 1st in solo tech and 3rd in solo free, they will get: 10 + 8 points for solo. If this is in WCH the total will be 18 x 3 = 54 points for the solo category for XYZ.

All NF after the sixth rank get 1 point for having attended the competition.

Solo athletes, duet and mixed duet partnerships and their respective reserves must be declared at the beginning of each season.

A new partnership starts with zero points — there is no transfer of world standing points for soloists, duets and mixed duets. If a new soloist is selected, a duet/mixed duet formed then previous solo ranking and duet/mixed duet ranking will be removed from the World Ranking.

Teams qualify by the Teams' name. When an athlete officially announces his or her retirement from competition.

#### Draws

At FINA Events, draws will be divided into two parts: **Competitors with and without world rankings.**

Competitors with ranking will draw for the later starting numbers: the highest ranked competitor goes last, the next ranked Competitor second last etc. In cases of ties in the World Standings there will be a separate draw between tied competitors to decide the order of the main draw.

Following the current season's World Championships, the results from the previous season are deleted.
